2020-2021 CHAPTER NEWSLETTER AWARDS GUIDELINES
 Deadline January 31, 2021

Communication is important to make all Delta Kappa Gamma members feel involved and keep them informed. One of the best ways to maintain communication within your group is a regularly published newsletter. The efforts of publishing a chapter newsletter can be rewarded with increased member involvement and commitment. The communications committee of Louisiana State-Epsilon has set minimum guidelines for the chapter newsletter award presented at the Louisiana State-Epsilon Convention as well as the key chapter points for newsletters. Those guidelines are outlined below.

You **must** send each newsletter (prefer emailed) in a **timely manner** to the six Louisiana State-Epsilon people **listed below**.

To be eligible for the Newsletter Award, a chapter must have **at least three newsletters** meeting the guidelines outlined below and published **in a timely manner** between **February 1, 2020** and **January 31, 2021**. Communications sent without the required contents (such as just announcing a meeting) are not considered newsletters and will not be counted.
